Index to Volume 152

Compiled by Stanley Thorley

PART I – SUBJECTS	1–14
PART II – CONTRIBUTORS	14–22
PART III – BOOK REVIEWS	22–26
ACKNOWLEDGEMENT TO ASSESSORS	27

Abbreviations: BR Brief Report; C Correspondence; other abbreviations given in text of index.

PART I – SUBJECTS

Acetylcholine. Acetylcholine and Alzheimer's disease. E. Perry (*Annotation*) 737–740

Addiction. Addiction and after. Michael Gossop (*Annotation*) 307–309

Adenomectomy. Nelson's syndrome and behavioural changes reversed by selective adenomectomy. Helen M. Buckler *et al* (BR) 412–414

Adolescence.

Childhood and adolescent depression: 1. Epidemiological and aetiological aspects. Adrian Angold (*Review article*) 601–617

Current age of youthful melancholia: evidence for increase in depression among adolescents and young adults. Gerald L. Klerman (*Eli Lilley Lecture* 1987) 4–14

Goal-oriented group treatment for sexually abused adolescent girls. Tilman Furniss *et al* 97–106

Affective disorders (see also) **Bipolar disorder**, **Depression**, **Dysthymic disorders**, **Emotional disturbances**, **Euphoria**, **Hypomania**, **Mania**, **Maternity blues** and **Melancholia**

Familial. Linkage study of primary affective disorder. Brent Waters *et al* (BR) 560–562

Follow-up. Follow-up study on alcoholics with and without co-existing affective disorder. K. O'Sullivan *et al* 813–819

Occurrence. Hospital-treated and general-population morbidity from affective disorders: comparison of prevalence and inception rates. S. P. Sashidharan *et al* 499–505

Review. *Affective Disorders in the Elderly*. M. R. Eastwood (C) 581

Therapy. ECT in Parkinsonism with affective disorder. Nutan Atre-Vaidya and V. Chowdary Jampala 55–58. Peter Birkett (C) 712

Africa. Hysterical manifestations in Africa and Europe: a comparative study. Roland A. Pierloot and Malanda Ngoma 112–115

Age disorientation. Age disorientation in chronic schizophrenia is not associated with pre-morbid intellectual impairment or past physical treatment. N. Buhrich *et al* 466–469

Ageing. Alcohol and ageing. M. A. Roberts (C) 292. Goran Nordstrom and Mats Berglund (C) 292

Aggression (see also) Assaults and Violence

Clastogenic factors and abnormal plasma fractions in a female patient with severe aggressiveness. L. Wetterberg *et al* (C) 579

Lithium in the treatment of aggression in mentally handicapped patients: a double-blind trial. P. G. Dale (C) 289–290

AIDS (Acquired Immune Deficiency Syndrome).

Behaviour. Behaviourally disturbed HIV patients. D. R. Davies (C) 577–578

Classification. AIDS, AIDS panic or AIDS phobia. M. Segal (C) 424–425. Bron Lipkin (C) 425

Complications.

HIV infection associated with symptoms indistinguishable from functional psychoses. Neil Buhrich *et al* 649–653

Mania in the early stages of AIDS. Karen Dauncey (C) 716–717

Paranoid psychoses and AIDS. B. A. Johnson (C) 426. Guy Goodwin (C) 426–427. Christopher S. Thomas and E. Szabadi (C) 427–428

Two cases of hypomania in AIDS. Ulrich Schmidt and David Miller (BR) 839–842

Diagnosis. Screening for HIV. D. R. Davies (C) 857

AIMS (Abnormal Involuntary Movement Scale). AIMS ratings – repeatability. J. A. Bergen *et al* 670–673

Alcohol.

Alcohol and ageing. M. A. Roberts (C) 292. Goran Nordstrom and Mats Berglund (C) 292

Feigned alcohol abuse: a unique case report. Gillian Caradoc-Davies (BR) 418–420

Follow-up study on alcoholics with and without co-existing affective disorder. K. O'Sullivan *et al* 813–819

Alzheimer's disease.

Acetylcholine and Alzheimer's disease. E. Perry (*Annotation*) 737-740

Characteristic plasma hormone changes in Alzheimer's disease. Roger Thomas *et al* (C) 434-435. J. E. Christie *et al* 435-436

Measuring the course of Alzheimer's disease: longitudinal study of neuropsychological function and changes in P3 event-related potential. David St Clair *et al* 48-54

Amine metabolites. Effect of electroconvulsive therapy on CSF amine metabolites in schizophrenic patients. S. J. Cooper *et al* 59-63

AMP (Adenosine monophosphate). Cyclic AMP second-messenger signal amplification in depression. Richard P. Ebstein 665-669

Annotations.

Acetylcholine and Alzheimer's disease. E. Perry 737-740

Addiction and after. Michael Gossop 307-309

Benzodiazepine receptor and its role in anxiety. Sandra E. File 599-600

Biochemical aspects of therapy-resistant depression. B. E. Leonard 453-459

Community care. T. Turner 1-3

Defect in training. Clifford Yorke 159-163

Anorexia.

Assessment. Clinical assessment of anorexia nervosa: the Morgan-Russell Outcome Assessment Schedule. H. G. Morgan and A. E. Hayward 367-371

Complications.

Anorexia nervosa and Turner's syndrome. Bob Fieldsend (BR) 270-271

Incest and anorexia nervosa: what is the link? D. M. Hambridge (C) 145-146. A. Kumar and M. Agarwal (C) 713-714

Occurrence. Anorexia nervosa and bulimia nervosa in British Blacks. Neil L. Holden and Paul H. Robinson 544-549

Physiopathology. Study of sulphatoxymelatonin excretion and gonadotrophin status during weight gain in anorexia nervosa. J. Bearn *et al* 372-376

Anthropology. Anthropology and psychiatry. P. Bracken (C) 428-429

Antidepressants.

Monosymptomatic hypochondriasis treated with a tricyclic antidepressant. Noel Fernando (BR) 851-852

Need to compare the effectiveness of the available antidepressant drugs. Silvio Garattini (C) 140-141. Adriana Dubini (C) 860

Anxiety.

Benzodiazepine receptor and its role in anxiety. Sandra E. File (*Annotation*) 599-600

Hospital anxiety and depression scale. R. P. Snaith (C) 424

Appendicectomy. Parasuicide and appendicectomy. Christopher A. Vassilas (BR) 706-709

Asians. Bulimia in British Blacks and Asians: a catchment area study. J. Hubert Lacey and Bridget M. Dolan 73-79

Asperger's syndrome. Asperger's syndrome and autism: the

case for a connection. Eimer Philbin Bowman 377-382

Assaults see also Aggression and Violence

Assaults on staff by psychiatric in-patients: a critical review. Robin M. Haller and Robert H. Deluty 174-179. E. Fottrell (C) 711. Philip Hewitt (C) 858. Robert H. Deluty (C) 858

Autism.

Another calendar savant. Lindsay C. Hurst and David J. Mulhall (BR) 274-277

Asperger's syndrome and autism: the case for a connection. Eimer Philbin Bowman 377-382

Barking Mad. Barking mad. R. Schapira and D. H. Roy (C) 432. K. S. Vaddadi (C) 432-433. Allan J. Norris (C) 433. Bernard Ineichen (C) 433. George Ikos (C) 860-861. G. O'Sullivan (C) 861

Behaviour.

Behavioural disorder in the mentally handicapped: the role of life events. M. Ghaziuddin 683-686

Behavioural disorders: *ICD-10 (International Classification of Diseases-10)*. *Psychiatric classification in an international perspective*. N. Sartorius *et al* (eds) Supplement I. 1-52

Behaviourally disturbed HIV patients. D. R. Davies (C) 577-578

Changes in behaviour in dementia: a neglected research area. Christopher G. Fairburn and R. A. Hope (*Point of View*) 406-407

Nelson's syndrome and behavioural changes reversed by selective adenomectomy. Helen M. Buckler *et al* 412-414

Benzodiazepines.

Benzodiazepine receptor and its role in anxiety. Sandra E. File (*Annotation*) 599-600

Place of benzodiazepines in psychiatric practice. Maurice Silverman (C) 573. Peter Tyrer and Siobhan Murphy (C) 573

Bereavement. Mania following bereavement in a mentally handicapped man. Iqbal Singh *et al* (C) 866-867

Bipolar disorders.

Bipolar affective disorder and thalassaemia minor - a genetic linkage? Ashok N. Singh and James Maguire (C) 581

Resistant bipolar affective disorder treated by stereotactic subcaudate tractotomy. A. Poynton *et al* 354-358

BITE (Bulimic Investigatory Test, Edinburgh). BITE: indices of agreement. C. P. Freeman and Michael Henderson (C) 575-576

Blacks.

Anorexia nervosa and bulimia nervosa in British Blacks. Neil L. Holden and Paul H. Robinson 544-549

Bulimia in British Blacks and Asians: a catchment area study. J. Hubert Lacey and Bridget M. Dolan 73-79

Hysterical manifestations in Africa and Europe: a comparative study. Roland A. Pierloot and Malanda Ngoma 112-115

Body weight.

Polydipsia in chronic psychiatric patients: body weight

- and plasma sodium. Nicholas J. Delva and John L. Crammer 242-245
- Study of sulphatoxymelatonin excretion and gonadotrophin status during weight gain in anorexia nervosa. J. Bearn *et al* 373-376
- Books reconsidered.** *Games People Play: The Psychology of Human Relationships*. Eric Berne (Duncan Cramer) 440-442
- Bristol.** Monitoring problem drug use in Bristol. Julie Parker *et al* 214-221
- Bulimia.**
- Anorexia nervosa and bulimia nervosa in British Blacks. Neil L. Holden and Paul H. Robinson 544-549
 - Bulimia in British Blacks and Asians: a catchment area study. J. Hubert Lacey and Bridget M. Dolan 73-79
 - Bulimia nervosa in an atypical setting: case report from Nigeria. Sunny T. C. Ilechukwu and Sekia M. Nhiwatiwa (C) 864-865
 - Dexamethasone suppression test in bulimia nervosa. G. O'Brien *et al* 654-656
- Calcium.** Calcium therapy for neuroleptic-induced extrapyramidal symptoms. M. L. D. Fernando and R. Manchanda (C) 722-723
- Calendar savant.** Another calendar savant. Lindsay C. Hurst and David J. Mulhall (BR) 274-277
- Camberwell.**
- Camberwell collaborative depression study: I. Depressed probands: adversity and the form of depression. P. E. Bebbington *et al* 754-765
 - Camberwell collaborative depression study: II. Investigation of family members. P. McGuffin *et al* 766-774
 - Camberwell collaborative depression study: III. Depression and adversity in the relatives of depressed probands. P. McGuffin *et al* 775-782
- Care.**
- Community care. T. Turner (*Annotation*) 1-3
 - Patterns of care in a district general hospital psychiatric department. R. E. Lawrence *et al* 188-195
- Case-registers.** Monitoring problem drug use. Robert Peveler (C) 711-712
- Catatonia.** Catatonia in a 90-year-old patient after depot pipothiazine injection. P. J. Morrison *et al* (C) 865-866
- Catecholamine metabolites.** Urinary catecholamine metabolite and tribulin output during lactate infusion. Angela Clow *et al* 122-126
- Cerebrum.**
- Cerebral blood flow in chronic cocaine users: a study with positron emission tomography. Nora D. Volkow *et al* 641-648
 - Psychiatric presentation of third ventricular colloid cyst: a case report. A. K. Upadhyaya and P. D. Sud (BR) 567-569
- CHDS (Chinese Hamilton Depression Scale).** Validity and reliability of the Chinese Hamilton Depression Rating Scale. Yanping Zheng *et al* 600-604
- Childhood.**
- Childhood and adolescent depression: 1. Epidemiological and aetiological aspects. Adrian Angold (*Review article*) 601-617
 - Childhood sexual abuse in adult female psychotherapy referrals: incidence and implications for treatment. Helen Sheldon 107-111
 - Factors influencing non-attendance at child psychiatry out-patient appointments. David Cottrell *et al* 201-204
 - School refusal: a 15-20-year follow-up study of Swedish urban children. Natalia Flakierska *et al* 834-837
- Chinese.**
- Successful treatment of a Chinese with primary ejaculatory failure. Leo P. W. Chiu (C) 580-581
 - Validity and reliability of the Chinese Hamilton Depression Rating Scale. Yanping Zheng *et al* 660-664
- Chorea.** Benign hereditary chorea: a case report. S. J. Loosemore and K. Wood (BR) 131-134
- Clastogenic factors.** Clastogenic factors and abnormal plasma fractions in a female patient with severe aggressiveness. L. Wetterberg *et al* (C) 579
- Climate.** Influence of climate on the prevalence of mania. P. A. Carney *et al* 820-823
- Clomipramine.** Clomipramine, self-exposure and therapist-aided exposure for obsessive-compulsive rituals. I. M. Marks *et al* 522-534
- Clonidine.**
- Clonidine and neuroleptic-resistant mania. R. Jouvant *et al* (C) 293-294
 - Growth hormone response to clonidine after recovery in patients with endogenous depression. P. B. Mitchell *et al* 34-38
- Cocaine.** Cerebral blood flow in chronic cocaine users: a study with positron emission tomography. Nora D. Volkow *et al* 641-648
- Cognition.**
- Age disorientation in chronic schizophrenia is not associated with pre-morbid intellectual impairment or past physical treatment. N. Buhrich *et al* 466-469
 - Assessment of cognitive decline in the elderly by informant interview. A. F. Jorm and A. E. Korten 209-213
- Community.**
- Community care. T. Turner 1-3
 - Community psychiatry. D. P. Forster (*Reading about...*) 582-584
 - Geriatric Mental State Examination as a case-finding instrument in the community. C. McWilliam *et al* 205-208
 - Hysterical behaviour in patriarchal communities: four cases, one with Ganser-like symptoms. Malcom P. I. Weller 687-695
 - Peer-group support for patients in the community. M. Ledger (C) 290
 - Practice of community psychiatric nursing and mental health social work in Salford: some implications for community care. K. Wooff *et al* 783-792
- Compensation.** Compensation psychosis. G. G. Hay and J. Johnson (C) 714. Lyn Pilowsky and Alan Lee (C) 714. Alfred White (C) 714
- Conversion.** Writer's cramp in a deaf 12-year-old girl: a conversion reaction? M. M. Georgui (BR) 414-416
- Convulsions** (see also) **Seizures**

- Failure to convulse with ECT. C. P. Freeman (C) 571.
D. J. King (C) 571. John Pippard and Robert Russell (C) 712-713
- Corrigenda.** October 1987, 151 (I. J. McLoughlin & M. S. Bhate) page 533 "atypical mourning" 147
- Crime.**
Mentally handicapped criminal offenders: a 10-year study of two hospitals. Anthony Kearns and Art O'Connor (BR) 848-851
Review of *Criminal Law and Psychiatry*. D. H. D. Selwood (C) 439
Social and parenting factors affecting criminal-offence rates: findings from the Newcastle Thousand Family Study (1947-1980). I. Kolvin *et al* 80-90
- CSF (Cerebrospinal fluid).** Effect of ECT on CSF amine metabolites in schizophrenic patients. S. J. Cooper *et al* 59-63
- Cultural sanctions.** True hallucinations as a culturally sanctioned experience. Chittaranjan Andrade *et al* (BR) 838-839
- Cypriots.** Hysterical behaviour in patriarchal communities: four cases, one with Ganser-like symptoms. Malcolm P. I. Weller 687-695
- Delusions.**
Case of a delusional psychotic syndrome in the setting of Werner's syndrome (adult progeria). T. C. A. Tannock and R. F. Cook (BR) 703-704
Dangerous delusions: violence and misidentification syndromes. Karel W. de Pauw and T. Krystyna Szulecka 91-96. A. P. W. Shubsachs and A. Young (C) 722. David A. Fishbain (C) 859-860
Delusional and non-delusional depression in late life: evidence for distinct types. Robert C. Baldwin 39-44
- Dementia.**
Changes in behaviour in dementia: a neglected research area. Christopher G. Fairburn and R. A. Hope (*Point of view*) 406-407
ECT for depression in dementia. S. M. Benbow (C) 859
ECT in the treatment of mixed depression and dementia. Raymond A. Liang *et al* (BR) 281-284
Visual evoked potentials in elderly patients with primary or multi-infarct dementia. Christine E. Wright and Paul L. Furlong 679-682
- Depersonalisation.**
Mystical-ecstatic and trance states. Stephen Fortus Signer (C) 296-297
Pathogenesis of depersonalisation: a hypothesis. Samuel I. Cohen (C) 578
- Depression** (see also **Affective disorders**)
Chronicity. Newcastle chronic depression study: patient characteristics and factors associated with chronicity. Jan Scott *et al* 28-33
Classification.
Delusional and non-delusional depression in late life: evidence for distinct types. Robert C. Baldwin 39-44
Neurotic depression: delineation of symptom profiles and their relation to outcome. Gordon Parker *et al* 15-23
Performance of the dexamethasone suppression test in depressive illness according to ICD and DSM-III classification systems. Sarah Watkins *et al* (BR) 554-558
- Complications.** Significance of depression in the prediction of relapse in chronic schizophrenia. D. A. W. Johnson 320-323
- Diagnosis.**
Hospital anxiety and depression scale. R. P. Snaith (C) 424
Validity and reliability of the Chinese Hamilton Depression Rating Scale. Yanping Zheng *et al* 660-664
- Familial.**
Camberwell collaborative depression study: II. Investigation of family members. P. McGuffin *et al* 766-774
Camberwell collaborative depression study: III. Depression and adversity in the relatives of depressed probands. P. McGuffin *et al* 775-782
- Mortality.** Increased mortality rates in late-life depression. Elaine Murphy *et al* 347-353
- Occurrence.** Childhood and adolescent depression: I. Epidemiological and aetiological aspects. Adrian Angold (*Review article*) 601-617
- Physiopathology.**
Biochemical aspects of therapy-resistant depression. B. E. Leonard (*Annotation*) 453-459
Comparison of melatonin secretion in depressed patients and normal subjects. Christopher Thompson *et al* 260-265
Cyclic AMP second-messenger signal amplification in depression. Richard P. Ebstein 665-669
Dexamethasone suppression test in depressed Kuwaiti patients. Mohammed A. Aref *et al* (C) 144
Growth hormone response to clonidine after recovery in patients with endogenous depression. P. B. Mitchell *et al* 34-38
HLA-DR2 and sleep onset REM periods in endogenous depression. Dieter Riemann *et al* (C) 296
Migraine, insomnia and reactive depression due to brain serotonin deficiency? Luigi Bucci (C) 867-868
- Psychology.**
Camberwell collaborative depression study: I. Depressed probands: adversity and the form of depression. P. E. Bebbington *et al* 754-765
Depression and perceptions of early parenting: a longitudinal investigation. Ian H. Gotlib *et al* 24-27
Life events, difficulties and recovery from chronic depression. G. W. Brown *et al* 487-498
- Therapy.**
ECT for depression in dementia. S. M. Benbow (C) 859
ECT in the treatment of mixed depression and dementia. Raymond A. Liang *et al* (BR) 281-284
Failure to convulse with ECT: a case report. Michael Sharpe and Bernice Andrew (BR) 134-136
Lithium, imipramine and hydroxytryptophan in resistant depression. Giovanni Conte (C) 720

- Predicting the response of depressed patients to biological treatment: the dexamethasone suppression test versus clinical judgement. E. D. Myers 657-659
- Developmental disorders.** *ICD-10 (International Classification of Diseases-10). Psychiatric classification in an international perspective.* N. Sartorius *et al* (eds) Supplement I. 1-52
- Dexamethasone.**
- Dexamethasone suppression test in bulimia nervosa. G. O'Brien *et al* 654-656
 - Dexamethasone suppression test in depressed Kuwaiti patients. Mohammed A. Aref *et al* (C) 144
 - Performance of the dexamethasone suppression test in depressive illness according to ICD and DSM-III classification systems. Sarah Watkins *et al* (BR) 554-558
 - Predicting the response of depressed patients to biological treatment: the dexamethasone suppression test versus clinical judgement. E. D. Myers 657-659
- Diethylpropion.**
- Diethylpropion hydrochloride-induced psychosis. Deborah Brooke *et al* (C) 572-573
 - Diethylpropion and psychosis. M. W. P. Carney (C) 146-147
- Disasters.** Aetiology of post-traumatic stress disorders following a natural disaster. Alexander Cowell McFarlane 116-121
- Disulfiram.** Disulfiram reaction during sexual intercourse. J. D. Chick (C) 438
- Dopamine.**
- Dopamine hypothesis. T. H. Turner (C) 861-862
 - Dopamine hypothesis of neuroleptic drug action. Robert Goodman (C) 437
 - Dopamine hypothesis, viral theory of schizophrenia and season of birth. C. W. Lo (C) 429-430. M. F. Bristow (C) 430. T. J. Crow (C) 431-432
 - Pathology, phenomenology and the dopamine hypothesis of schizophrenia. Robert W. Kerwin (C) 141. P. J. McKenna (C) 141-142
 - Time and the dopamine hypothesis. J. B. Aldenhoff (C) 717-718. Timothy G. Dinan (C) 718-719
- Down's syndrome.** Down's syndrome and eating disorders: a case study. G. M. Holt *et al* 847-848
- Down's syndrome with mania. Iqbal Singh (C) 436-437. Edwin H. Cook and Bennett L. Leventhal (C) 721-722
- Drug abuse** (see also) **Alcohol, Cocaine, Diethylpropion, Heroin, Khat, Mephentermine and Tea**
- Addiction and after. Michael Gossop (*Annotation*) 307-309
 - Monitoring problem drug use. Robert Peveler (C) 711-712
 - Monitoring problem drug use in Bristol. Julie Parker *et al* 214-221
- Drugs** (see) **Antidepressants, Monoamine oxidase inhibitors, Neuroleptics and Psychotropics**
- Drugs, specific** (see) **Benzodiazepines, Clomipramine, Clonidine, Dexamethasone, Disulfiram, Hydroxytryptophan, Imipramine, Lactate infusion, Lithium, Naloxone, Phenelzine, Phenothiazine, and Pipothiazine**
- DSM-III (Diagnostic and Statistical Manual III).** Dexamethasone suppression test in depressive illness according to ICD and DSM-III classification systems. Sarah Watkins *et al* (BR) 554-558
- Dyskinesia.** Heterogeneity of tardive dyskinesia: a multivariate analysis. William M. Glazer *et al* 253-259
- Dysmorphophobia.**
- Dysmorphophobic avoidance with disturbed bodily perception: a pilot study of exposure therapy. Isaac Marks and Joseph Mishan 674-678
 - Psychotherapy and dysmorphophobia: a case report. Sidney Bloch and Paul Glue (BR) 271-274
 - Psychotherapy and dysmorphophobia. Jeremy Holmes (C) 858-859
 - Subacute sclerosing panencephalitis (SSPE) presenting at the age of 21 as a schizophrenia-like state with bizarre dysmorphophobic features. E. A. Salib (BR) 709-710
- Dythymic disorders** (see also) **Affective disorders**
- Imipramine versus phenelzine in melancholia and dythymic disorders. Michael J. Campbell (C) 862. M. Salamero *et al* (C) 862-863
- Eating disorders** (see also) **Anorexia and Bulimia**
- Down's syndrome and eating disorders: a case study. G. M. Holt *et al* 847-848
- ECT (Electroconvulsive therapy).**
- Constant current vs constant voltage ECT devices. Richard D. Weiner and C. Edward Coffey (C) 292-293. Railton (C) 293
 - ECT for depression in dementia. S. M. Benbow (C) 859
 - ECT in Parkinsonism with affective disorder. D. Peter Birkett (C) 712
 - ECT in Parkinsonism with affective disorder. Nutan Atre-Vaidya and V. Chowdary Jampala 55-58
 - ECT in the treatment of mixed depression and dementia. Raymond A. Liang *et al* (BR) 281-284
 - Effect of ECT on CSF amine metabolites in schizophrenic patients. S. J. Cooper *et al* 59-63
 - Failure to convulse with ECT. Michael Sharpe and Bernice Andrew (BR) 134-136. C. P. Freeman (C) 571. D. J. King (C) 571. John Pippard and Robert Russell (C) 712-713
 - Some influences on regional variation in frequency of prescription of ECT. R. H. Latey and T. J. Fahy 196-200
- Ejaculation.** Successful treatment of a Chinese with primary ejaculatory failure. Leo P. W. Chiu (C) 580-581
- Elderly** (see also) **GMS and Late life**
- Assessment of cognitive decline in the elderly by informant interview. A. F. Jorm and A. E. Korten 209-213
 - Elderly offenders: a study of age-related factors among custodially remanded prisoners. Pamela J. Taylor and Janet M. Parrott 340-346
 - Psychiatric liaison referrals of elderly in-patients in a teaching hospital. Amanda M. Poynton 45-47
 - Review of *Affective Disorders in the Elderly*. M. R. Eastwood (C) 581
 - Visual evoked potentials in elderly patients with primary

- or multi-infarct dementia. Christine E. Wright and Paul L. Furlong 679-682
- Emergencies.** Accident and emergency department management of deliberate self-poisoning. David W. Owens and Susan J. Jones 830-833
- Emotional disturbances** (see also) **Affective disorders**
- Emotional disturbances in endocrine patients: validity of the scaled version of the General Health Questionnaire (GHQ-28). Antonio Lobo *et al* 807-812
- Endocrine disorders.** Emotional disturbances in endocrine patients: validity of the scaled version of the General Health Questionnaire (GHQ-28). Antonio Lobo *et al* 807-812
- Epilepsy.**
- Hypomania and epilepsy. Brian O'Shea (C) 571
- Post-ictal psychoses: a clinical and phenomenological description. S. J. Logsdail and S. K. Toone 246-252
- Escape.** Escape of a hospital patient. Henry Rollin (*A hundred years ago*) 439
- Euphoria.** Maternity blues and post-partum euphoria. I. F. Brockington (C) 433-434
- Europe.** Hysterical manifestations in Africa and Europe: a comparative study. Roland A. Pierloot and Malanda Ngoma 112-115
- Evoked potentials.**
- Measuring the course of Alzheimer's disease: a longitudinal study of neuropsychological function and changes in P3 event-related potential. David St Clair *et al* 48-54
- P3 and CT scans in patients with chronic schizophrenia. K. Ebmeier *et al* (C) 290-291. Alfredo Romani and Vittorio Cusi (C) 291-292
- Visual evoked potentials in elderly patients with primary or multi-infarct dementia. Christine E. Wright and Paul L. Furlong 679-682
- Expressed emotion.**
- Assessment of psychophysiological reactivity to the expressed emotion of the relatives of schizophrenic patients. Nicholas Tarrier *et al* 618-624
- Nithsdale schizophrenia survey: VII. Does relatives' high expressed emotion predict relapse? R. G. McCreadie and K. Phillips 477-481
- Extrapyramidal symptoms.** Calcium therapy for neuroleptic-induced extrapyramidal symptoms. M. L. D. Fernando and R. Manchanda (C) 722-723
- Eyes.**
- Long-term phenothiazine administration and the eye in 100 Malaysians. Chin Cheuk Ngen and Pall Singh (BR) 278-280
- Self-inflicted eye injuries. Edward L. Margetts (C) 425-426. Ashok N. Singh (C) 426
- Factitious disorders.** Feigned alcohol abuse: a unique case report. Gillian Caradoc-Davies (BR) 418-420
- Females.**
- Childhood sexual abuse in adult female psychotherapy referrals: incidence and implications for treatment. Helen Sheldon 107-111
- Female unemployment and attempted suicide. Keith Hawton *et al* 632-637
- Goal-oriented group treatment for sexually abused adolescent girls. Tilman Furniss *et al* 97-106
- Hospital-treated and general-population morbidity from affective disorders: comparison of prevalence and inception rates. S. P. Sashidharan *et al* 499-505

- Hormones.**
Characteristic plasma hormone changes in Alzheimer's disease. Roger Thomas *et al* (C) 434–435. J. E. Christie *et al* 435–436
Growth hormone response to clonidine after recovery in patients with endogenous depression. P. B. Mitchell *et al* 34–38
- Hospitals.**
Chronic schizophrenia and long-term hospitalisation. J. K. Wing (C) 144–145. David Abrahamson (C) 713
Mortality of long-stay patients following interhospital relocation. Richard K. Morriss *et al* (BR) 705–706
Patterns of care in a district general hospital psychiatric department. R. E. Lawrence *et al* 188–195
- Hundred Years Ago, A.**
Address in psychological medicine. Henry Rollin 147
- Escape of a hospital patient. Henry Rollin 439
Leavesden Imbecile Asylum. Henry Rollin 298
Lunatics in workhouses. Henry Rollin 723–724
Tea drinking and nervous disorders. Henry Rollin 868
- Hydroxytryptophan.** Lithium, imipramine and hydroxytryptophan in resistant depression. Giovanni Conte (C) 720
- Hypochondriasis.**
Behavioural treatment of illness phobia and hypochondriasis: a pilot study of 17 cases. Hilary M. C. Warwick and Isaac M. Marks 239–241
Monosymptomatic hypochondriasis treated with a tricyclic antidepressant. Noel Fernando (BR) 851–852
- Hypomania** (see also) **Mania.**
Hypomania and epilepsy. Brian O'Shea (C) 571
Hypomania following complex partial seizures: a report of three cases. P. Barczak *et al* (BR) 137–139. S. R. Humphries and P. S. Dickinson (C) 571–572. J. A. Morphew (C) 572
Two cases of hypomania in AIDS. Ulrich Schmidt and David Miller (BR) 839–842
- Hysteria.**
Hysterical behaviour in patriarchal communities: four cases, one with Ganser-like symptoms. Malcolm P. I. Weller 687–695
Hysterical manifestations in Africa and Europe: a comparative study. Roland A. Pierloot and Malanda Ngoma 112–115
Writer's cramp in a deaf 12-year-old girl: a conversion reaction? M. M. Georgui (BR) 414–416
- ICD-9 (International Classification of Diseases-9).** Dexamethasone suppression test in depressive illness according to ICD and DSM-III classification systems. Sarah Watkins *et al* (BR) 554–558
- ICD-10 (International Classification of Diseases-10).** *Psychiatric classification in an international perspective.* N. Sartorius *et al* (eds) Supplement I 1–52
- Iceland.** Partly dominant transmission of schizophrenia in Iceland. Jon L. Karlsson 324–329
- Idiot savant.** Another calendar savant. Lindsay C. Hurst and David J. Mulhall (BR) 274–277
- Imbeciles.** Leavesden Imbecile Asylum. Henry Rollin (*A hundred years ago*) 298
- Imipramine.**
Imipramine versus phenelzine in melancholia and dysthymic disorders. Michael J. Campbell (C) 862. M. Salamero *et al* (C) 862–863
Lithium, imipramine and hydroxytryptophan in resistant depression. Giovanni Conte (C) 720
- In-patients.**
Assaults on staff by psychiatric in-patients: a critical review. Robin M. Haller and Robert H. Deluty 174–179. E. Fottrell (C) 711. Philip Hewitt (C) 858. Robert H. Deluty (C) 858
Psychiatric liaison referrals of elderly in-patients in a teaching hospital. Amanda M. Poynton 45–47
Therapeutic factors within in-patient and out-patient psychotherapy groups: implications for therapeutic

- techniques. Raman Kapur *et al* 229–233. Graham S. Whalan and Greta L. Mushet (C) 857–858
- Incest.** Incest and anorexia nervosa: what is the link? D. M. Hambridge (C) 145–146. A. Kumar and M. Agarwal (C) 713–714
- India.**
Age of onset of schizophrenia. S. K. Jayaswal *et al* (C) 428
Heroin abuse in India. Adityanjee and D. Mohan (C) 142–143
True hallucinations as a culturally sanctioned experience. Chittaranjan Andrade *et al* (BR) 838–839
- Insomnia.** Migraine, insomnia and reactive depression due to brain serotonin deficiency? Luigi Bucci (C) 867–868
- Interviews.**
Assessment of cognitive decline in the elderly by informant interview. A. F. Jorm and A. E. Korten 209–213
Geriatric Mental State Examination as a case-finding instrument in the community. C. McWilliam *et al* 205–208
Psychiatric interviewing techniques: a second experimental study: eliciting feelings. A. Cox *et al* 64–72
- Ireland.**
Lunatics in workhouses. Henry Rollin (*A hundred years ago*) 723–724
Some influences on regional variation in frequency of prescription of ECT. R. H. Latey and T. J. Fahy 196–200
- Khat.** Khat-induced paranoid psychosis. C. K. Maitai and Manohar Dhadphale (C) 294. S. P. Gough and I. B. Cookson (C) 294. S. Critchlow and R. Seifert (C) 721
- Kidney function.** Supervising lithium: a comparison of a lithium clinic, psychiatric out-patient clinics and general practice. George Masterton *et al* 535–538
- Kleine-Levin syndrome.** Kleine-Levin syndrome: report of two cases with onset of symptoms precipitated by head trauma. R. G. Will *et al* (BR) 410–412
- Koro.**
Atypical koro. Henry R. Kranzler and Pritesh J. Shah (C) 579–580
Monosymptomatic hypochondriasis treated with a tricyclic antidepressant. Noel Fernando (BR) 851–852
- Korsakoff syndrome.** Measuring the course of Alzheimer's disease: a longitudinal study of neuropsychological function and changes in P3 event-related potential. David St Clair *et al* 48–54
- Kuwait.** Dexamethasone suppression test in depressed Kuwaiti patients. Mohammed A. Aref *et al* (C) 144
- Lactate infusion.** Urinary catecholamine metabolite and tribulin output during lactate infusion. Angela Clow *et al* 122–126
- Late life** (see also) **Elderly** and **GMS**
Delusional and non-delusional depression in late life: evidence for distinct subtypes. Robert C. Baldwin 39–44
- Increased mortality rates in late-life depression. Elaine Murphy *et al* 347–353
- Leavesden.** Leavesden Imbecile Asylum. Henry Rollin (*A hundred years ago*) 298
- Lectures.** Current age of youthful melancholia. Evidence for increase in depression among adolescents and young adults. Gerald I. Klerman (*Eli Lilley Lecture 1987*) 4–14
- Liaison.** Psychiatric liaison referrals of elderly in-patients in a teaching hospital. Amanda M. Poynton 45–47
- Lithium.**
Lithium, imipramine and hydroxytryptophan in resistant depression. Giovanni Conte (C) 720
Lithium, psoriasis, abnormal glucose tolerance and thyroid dysfunction. M. S. Humphreys and J. L. Waddell (C) 437–438
Lithium in the treatment of aggression in mentally handicapped patients: a double-blind trial. P. G. Dale (C) 289–290
Severe memory impairment with acute overdose lithium toxicity: a case report. Shekhar Saxena (BR) 853–854
Supervising lithium: a comparison of a lithium clinic, psychiatric out-patient clinics and general practice. George Masterton *et al* 535–538
- Long-stay patients.** Mortality of long-stay patients following interhospital relocation. Richard K. Morriss *et al* (BR) 705–706
- Lunacy.** Lunatics in workhouses. Henry Rollin (*A hundred years ago*) 723–724
- Malaysia.** Long-term phenothiazine administration and the eye in 100 Malaysians. Chin Cheuk Ngen and Pall Singh (BR) 278–280
- Males.** Psychiatric morbidity in spouses of women admitted to a mother and baby unit. Ian Harvey and Graeme McGrath 506–510
- Mania** (see also) **Bipolar disorder**
Complications.
Down's syndrome with mania. Iqbal Singh (C) 436–437. Edwin H. Cook, Jr and Bennett L. Leventhal (C) 721–722
Mania in the early stages of AIDS. Karen Dauncey (C) 716–717
Prasad's syndrome. M. J. Weiner and C. Kennedy (C) 438–439
- Occurrence.** Influence of climate on the prevalence of mania. P. A. Carney *et al* 820–823
- Psychology.** Mania following bereavement in a mentally handicapped man. Iqbal Singh *et al* (C) 866–867
- Therapy.** Clonidine and neuroleptic-resistant mania. R. Jouvent *et al* (C) 293–294
- Marriage.** Marital problems and sexual dysfunction: how are they related? John Rust *et al* 629–631
- Maternity blues.** Maternity blues and post-partum euphoria. I. F. Brockington (C) 433–434
- Maudsley.** Twin birth and adult psychiatric disorder: an examination of the case records of the Maudsley Hospital. Bina Chitkara *et al* 391–398

Melancholia (see also) **Affective disorders**

Current age of youthful melancholia. Evidence for increase in depression among adolescents and young adults. Gerald I. Klerman (*Eli Lilly Lecture 1987*) 4-14

Imipramine versus phenelzine in melancholia and dysthymic disorders. Michael J. Campbell (C) 862. M. Salamero *et al* (C) 862-863

Melatonin.

Comparison of melatonin secretion in depressed patients and normal subjects. Christopher Thompson *et al* 260-265

Study of sulphatoxymelatonin excretion and gonadotrophin status during weight gain in anorexia nervosa. J. Bearn *et al* 372-376

Memory. Severe memory impairment with acute overdose lithium toxicity: a case report. Shekhar Saxena (BR) 853-854

Menstruation. Schizophreniform psychosis associated with the menstrual cycle. Clare Gerada and Adrienne Reveley (BR) 700-702

Mental disorders (see also) **Lunacy** and **Psychiatric disorders**

ICD-10 (International Classification of Diseases-10). Psychiatric classification in an international perspective. N. Sartorius *et al* (eds). Supplement I 1-52

Mental disorders among Yugoslav medical students. Ljubomir Eric *et al* (BR) 127-129

Prescribing for the long-term mentally ill: a study of treatment practices. F. Holloway 511-515

Schizophrenic first-rank symptoms in organic mental disorders. A. Marneros 625-628

Mental handicap (see also) **Imbeciles**

Assessment. Standardised assessment of personality disorder in mental handicap. Brian R. Ballinger and Andrew H. Reid (C) 577

Complications.

Pica as a cause of death in three mentally handicapped men. I. J. McLoughlin (BR) 842-845

Screening for hepatitis B in the mentally handicapped. R. Carter (C) 433

History. Leavesden Imbecile Asylum. Henry Rollin (*A hundred years ago*) 298

Literature. Mental handicap: update. Brian Kirman (*Reading about...*) 869-870

Psychology.

Another calendar savant. Lindsay C. Hurst and David J. Mulhall (BR) 274-277

Behavioural disorder in the mentally handicapped: the role of life events. M. Ghaziuddin 683-686

Mania following bereavement in a mentally handicapped man. Iqbal Singh *et al* (C) 866-867

Mentally handicapped criminal offenders: a 10-year study of two hospitals. Anthony Kearns and Art O'Connor (BR) 848-851

Shop-lifting as a symptom of stress in families of mentally handicapped persons: a case report. Meera Roy (BR) 845-846

Therapy. Lithium in the treatment of aggression in mentally handicapped patients: a double-blind trial. P. G. Dale (C) 289-290

Mephentermine. Mephentermine dependence with psy-

chosis: a case report. Uday G. Joshi and Shripathy M. Bhat (BR) 129-131

Migraine. Migraine, insomnia and reactive depression due to brain serotonin deficiency? Luigi Bucci (C) 867-868

Misidentifications. Dangerous delusions: violence and the misidentification syndromes. Karel W. de Pauw and T. Krystyna Szulecka 91-96. A. P. W. Shubsachs and A. Young (C) 722. David A. Fishbain (C) 859-860

Mitral valve. Mitral valve prolapse and social phobia. Kutaiba Chaleby and Galal Ziady (BR) 280-281

Monoamine oxidase inhibitors.

Urinary catecholamine metabolite and tribulin output during lactate infusion. Angela Clow *et al* 122-126

Urinary tribulin output in patients with panic attacks. Trevor R. Norman (C) 295-296

Morbidity.

Hospital-treated and general-population morbidity from affective disorders: comparison of prevalence and inception rates. S. P. Sashidharan *et al* 499-505

Patterns of psychiatric morbidity in a genito-urinary clinic: a validation of the Hospital Anxiety Depression Scale (HAD). P. Barczak *et al* (BR) 698-700

Psychiatric morbidity in spouses of women admitted to a mother and baby unit. Ian Harvey and Graeme McGrath 506-510

Morgan-Russell Assessment Schedule. Clinical assessment of anorexia nervosa: the Morgan-Russell Outcome Assessment Schedule. H. G. Morgan and A. E. Hayward 367-371

Mortality.

Increased mortality rates in late-life depression. Elaine Murphy *et al* 347-353

Mortality of long-stay patients following interhospital relocation. Richard K. Morris *et al* (BR) 705-706

Motor disorders. Motor disorders of severe psychiatric illness: a conflict of paradigms. P. J. McKenna *et al* 863-864

Munchausen syndrome.

Feigned alcohol abuse: a unique case report. Gillian Caradoc-Davies (BR) 418-420

Munchausen syndrome: motives and the relation to deliberate self-harm. S. R. Humphries (BR) 416-417

Psychiatric Munchausen's syndrome: a College register? A. Markantonakis and A. S. Lee (C) 867

Mysticism. Mystical-ecstatic and trance states. Stephen Fortus Signer (C) 296-297

Naloxone. Use of naloxone during the withdrawal syndrome from heroin. D. N. Vlissides *et al* (BR) 565-567

Nelson's syndrome. Nelson's syndrome and behavioural changes reversed by selective adenomectomy. Helen M. Buckler *et al* (BR) 412-414

Netherlands. Prevalence of transsexualism in the Netherlands. P. L. E. Eklund *et al* 638-640

Neuroleptics.

Calcium therapy for neuroleptic-induced extrapyramidal symptoms. M. L. D. Fernando and R. Manchanda (C) 722-723

Clonidine and neuroleptic-resistant mania. R. Jouvent *et al* (C) 293-294

- Dopamine hypothesis of neuroleptic drug action. Robert Goodman (C) 437
- Fatal recurrence of neuroleptic malignant syndrome. Anthony McCarthy *et al* (BR) 558–559
- 'Neuroleptic malignant syndrome' without neuroleptics. Daniel Brennan *et al* (C) 578–579
- Neuropsychiatry.** Neuropsychiatry of post-traumatic stress disorder. I. P. Burges Watson *et al* (Review article) 164–173
- Neuropsychology.**
- Measuring the course of Alzheimer's disease: longitudinal study of neuropsychological function and changes in P3 event-related potential. David St Clair *et al* 48–54
- Psychometric correlates of episodic violent behaviour: a multidimensional neurological approach. Dan Mungas 180–187
- Neuroses.**
- Tea drinking and nervous disorders. Henry Rollin (*A hundred years ago*) 868
- Which neurotic patients do psychiatrists treat? John M. Eagles and David A. Alexander 222–228
- Neurosyphilis.** Neurosyphilis and psychiatry. R. A. Emsley *et al* (C) 573
- Newcastle.**
- Newcastle chronic depression study: patient characteristics and factors associated with chronicity. Jan Scott *et al* 28–33
- Social and parenting factors affecting criminal-offence rates: findings from the Newcastle Thousand Family Study (1947–1980). I. Kolvin *et al* 80–90
- Nigeria.** Bulimia nervosa in an atypical setting: case report from Nigeria. Sunny T. C. Ilechukwu and Sekia M. Nhiwatiwa (C) 864–865
- Nithsdale.** Nithsdale schizophrenia survey: VII. Does relatives' high expressed emotion predict relapse? R. G. McCreadie and K. Phillips 477–481
- No fixed abode.** No fixed abode. Ben G. A. Weller and Malcolm P. I. Weller (C) 143
- Nursing.** Practice of community psychiatric nursing and mental health social work in Salford: some implications for community care. K. Wooff *et al* 783–792
- Obsessive-compulsive disorders.**
- Clomipramine, self-exposure and therapist-aided exposure for obsessive-compulsive rituals. I. M. Marks *et al* 522–534
- Decision model in the treatment of obsessive-compulsive neuroses. C. A. L. Hoogduin and H. J. Duivenvoorden 516–521
- Ocular pigmentation.** Long-term phenothiazine administration and the eye in 100 Malaysians. Chin Cheuk Ngen and Pall Singh (BR) 278–280
- Out-patients.**
- Deliberate self-harm and out-patient attendance. C. W. Lawson (C) 575
- Factors influencing non-attendance at child psychiatry out-patients appointments. David Cottrell *et al* 201–204
- Supervising lithium: a comparison of a lithium clinic, psychiatric out-patient clinics and general practice. George Masterton *et al* 535–538
- Therapeutic factors within in-patient and out-patient psychotherapy groups: implications for therapeutic techniques. Raman Kapur *et al* 229–233
- Panencephalitis.** Subacute sclerosing panencephalitis (SSPE) presenting at the age of 21 as a schizophrenia-like state with bizarre dysmorphic features. E. A. Salib (BR) 709–710
- Panic attacks.**
- Pseudo-AIDS, AIDS panic or AIDS phobia. M. Segal (C) 424–425. Bron Lipkin (C) 425
- Urinary catecholamine metabolite and tribulin output during lactate infusion. Angela Clow *et al* 122–126
- Urinary tribulin output in patients with panic attacks. Trevor R. Norman *et al* (C) 295–296
- Paraphrenia.** Late paraphrenia. Peter S. Grahame (C) 289. N. L. Holden (C) 570. Som D. Soni *et al* (C) 719–720
- Parasuicide.**
- Female unemployment and attempted suicide. Keith Hawton *et al* 632–637
- Parasuicide and appendicectomy. Christopher A. Vassilas (BR) 706–709
- Suicide, and other causes of death, following attempted suicide. Keith Hawton and Joan Fagg 359–366
- Parenting.**
- Depression and perceptions of early parenting: a longitudinal investigation. Ian H. Gotlib 24–27
- Social and parenting factors affecting criminal-offence rates: findings from the Newcastle Thousand Family Study (1947–1980). I. Kolvin *et al* 80–90
- Parkinsonism.** ECT in Parkinsonism with affective disorder. Nutan Atre-Vaidya and V. Chowdary Jampala 55–58. D. Peter Birkett (C) 712
- Personality disorders.** Standardised assessment of personality disorder in mental handicap. Brian R. Ballinger and Andrew H. Reid (C) 577
- Phenelzine.** Imipramine versus phenelzine in melancholia and dysthymic disorders. Michael J. Campbell (C) 862. M. Salamero *et al* (C) 862–863
- Phenothiazine.** Long-term phenothiazine administration and the eye in 100 Malaysians. Chin Cheuk Ngen and Pall Singh (BR) 278–280
- Phobias.**
- Behavioural treatment of illness phobia and hypochondriasis: a pilot study of 17 cases. Hilary M. C. Warwick and Isaac M. Marks 239–241
- Mitral valve prolapse and social phobia. Kutaiba Chaleby and Galal Ziady (BR) 280–281
- Pseudo-AIDS, AIDS panic or AIDS phobia. M. Segal (C) 424–425
- Therapist contact and outcome of self-exposure treatment for phobias: a controlled study. A. Ghosh *et al* 234–238
- Pica.** Pica as a cause of death in three mentally handicapped men. I. J. McLoughlin (BR) 842–845

- Pipothiazine.** Catatonia in a 90-year-old patient after depot pipothiazine injection. P. J. Morrison *et al* (C) 865–866
- Plasma.** Clastogenic factors and abnormal plasma fractions in a female patient with severe aggressiveness. L. Wetterberg *et al* (C) 579
- Points of view.**
 Changes in behaviour in dementia: a neglected research area. Christopher G. Fairburn and R. A. Hope 406–407
 Evaluation of treatment effectiveness in psychiatric research. R. G. Newcombe 696–697
 Supportive psychotherapy: a contradiction in terms. Sydney Crown 266–269
- Polydipsia.** Polydipsia in chronic psychiatric patients: body weight and plasma sodium. Nicholas J. Delva and John L. Crammer 242–245
- Post-traumatic stress disorder.** Neuropsychiatry of post-traumatic stress disorder. I. P. Burges Watson *et al* (*Point of view*) 164–173
- Prasad's syndrome.** Prasad's syndrome. M. J. Weiner and C. Kennedy (C) 438–439
- Prisoners.** Elderly offenders: a study of age-related factors among custodially remanded prisoners. Pamela J. Taylor and Janet M. Parrott 340–346
- Progeria.** Case of a delusional psychotic syndrome in the setting of Werner's syndrome (adult progeria). T. C. A. Tannock and R. F. Cook (BR) 703–704
- Pseudocyesis.** Pseudocyesis preceding psychosis. Ann Mortimer and Jo Banbery (BR) 562–565
- Psoriasis.** Lithium, psoriasis, abnormal glucose tolerance and thyroid dysfunction. M. S. Humphreys and J. L. Waddell (C) 437–438
- Psychiatric disorders** (see also) **Mental disorders**
 Barking mad. R. Schapira and D. H. Roy (C) 432. K. S. Vaddadi (C) 432–433. Allan J. Norris (C) 433. Bernard Ineichen (C) 433. George Ikkos (C) 860–861. G. O'Sullivan (C) 861
 Motor disorders of severe psychiatric illness: a conflict of paradigms. P. J. McKenna *et al* 863–864
 Non-psychotic psychiatric disorder after childbirth: a prospective study of prevalence, incidence, course and nature. Peter J. Cooper *et al* 799–806
 Polydipsia in chronic psychiatric patients: body weight and plasma sodium. Nicholas J. Delva and John L. Crammer 242–245
 Psychiatric presentation of third ventricular colloid cyst: a case report. A. K. Upadhyaya and P. D. Sud (BR) 567–569
 Twin birth and adult psychiatric disorder: an examination of the case records of the Maudsley Hospital. Bina Chitkara *et al* 391–398
- Psychiatry.**
 Anthropology and psychiatry. P. Bracken (C) 428–429
 Neurosyphilis and psychiatry. R. A. Emsley *et al* (C) 573
 Psychiatry and *Glasnost*. Raghu Gaiind (C) 294–295
 Review of *Criminal Law and Psychiatry*. D. H. D. Selwood (C) 439
- Psychological medicine.** Address by Dr Gasquet. Henry Rollin (*A hundred years ago*) 147
- Psychology.**
Games People Play: The Psychology of Human Relationships: Eric Berne (Duncan Cramer). (*Books reconsidered*) 440–442
 Pastoral psychology. Louis Marteau (*Reading about...*) 148–149
- Psychoses.**
Epilepsy. Post-ictal psychoses: a clinical and phenomenological description. S. J. Logsdaile and S. K. Toone 246–252
Organic. Case of a delusional psychotic syndrome in the setting of Werner's syndrome (adult progeria). T. C. A. Tannock and R. F. Cook (BR) 703–704
Organic?
 Compensation psychosis. G. G. Hay and J. Johnson (C) 714. Lyn Pilowsky and Alan Lee (C) 714. Alfred White (C) 714
 HIV infection associated with symptoms indistinguishable from functional psychoses. Neil Buhrich *et al* 649–653
Overvalued ideas. Pseudocyesis preceding psychosis. Ann Mortimer and Jo Banbery (BR) 562–565
Paranoid. Paranoid psychoses and AIDS. B. A. Johnson (C) 426. Guy Goodwin (C) 426–427. Christopher S. Thomas and E. Szabadi (C) 427–428
- Substance-induced.**
 Diethylpropion and psychosis. M. W. P. Carney (C) 146–147. Deborah Clarke *et al* 572–573
 Khat-induced paranoid psychosis. C. K. Maitai and Manohar Dhadphale (C) 294. S. P. Gough and I. B. Cookson (C) 294. S. Critchlow and R. Seifert (C) 721
 Mephentermine dependence with psychosis: a case report. Uday G. Joshi and Shripathy M. Bhat (BR) 129–131
 Quinine psychosis. Tim Jerram and Nancy Greenhalgh (C) 864
- Psychotherapy.**
Behavioural.
 Behavioural psychotherapy in general practice. D. M. Bowker (C) 142
 Behavioural treatment of illness phobia and hypochondriasis: a pilot study of 17 cases. Hilary M. C. Warwick and Isaac M. Marks 239–241
 Dismorphophobic avoidance with disturbed bodily perception: a pilot study of exposure therapy. Isaac Marks and Joseph Mishan 674–678
 Therapist contact and outcome of self-exposure treatment for phobias: a controlled study. A. Ghosh *et al* 234–238
- Group.**
 Goal-oriented group treatment for sexually abused adolescent girls. Tilman Furniss *et al* 97–106
 Therapeutic factors in in-patient psychotherapy groups. Graham S. Whalan and Greta L. Mushet (C) 857–858
 Therapeutic factors within in-patient and out-patient psychotherapy groups: implications for therapeutic techniques. Raman Kapur *et al* 229–233
- Manipulation.** Psychotherapy—a last resort. Robert Whyte (BR) 408–409
- Psychodynamic.** Psychotherapy and dysmorphophobia:

- a case report. Sidney Bloch and Paul Glue (BR) 271-274. Jeremy Holmes (C) 858-859
- Referrals.** Childhood sexual abuse in adult female psychotherapy referrals: incidence and implications for treatment. Helen Sheldon 107-111
- Research.** Research in psychotherapy. R. P. Snaith (C) 715. David A. Shapiro and Jenny Firth-Cozens (C) 715-716
- Supportive.**
- Supportive analytical psychotherapy: an account of two cases. Jeremy Holmes 824-829
 - Supportive psychotherapy: a contradiction in terms. Sydney Crown (*Point of view*) 266-269. C. J. Lucas (C) 855. Sophia Hartland (C) 855. David Tait (C) 855-856. D. P. Flannery (C) 856-857
- Psychotropic drugs.** General practice patients on long-term psychotropic drugs: a controlled investigation. J. Catalan *et al* 399-405
- Puerperium.**
- Maternity blues and post-partum euphoria. I. F. Brockington (C) 433-434
 - Non-psychotic psychiatric disorder after childbirth: a prospective study of prevalence, incidence, course and nature. Peter J. Cooper *et al* 799-806
- Quinine.** Quinine psychosis. Tim Jerram and Nancy Greenhalgh (C) 864
- Rape.** Psychological reactions of women who have been raped: a descriptive and comparative study. Gillian C. Mezey and Pamela J. Taylor 330-339
- Reading about.** Community psychiatry. D. P. Forster 582-584
- Mental handicap: update. Brian Kirman 869-870
 - Pastoral psychology. Louis Marteau 148-149
 - Suicide. H. G. Morgan 725-726
- Relatives.** Assessment of psychophysiological reactivity to the expressed emotion of the relatives of schizophrenic patients. Nicholas Tarrier *et al* 618-624
- Research.** Evaluation of treatment effectiveness in psychiatric research. R. G. Newcombe (*Point of view*) 696-697
- Molecular genetics and human disease: implications for modern psychiatric research and practice. Miron Baron and John D. Rainer (*Review article*) 741-753
- Research in psychotherapy. R. P. Snaith (C) 715. David A. Shapiro and Jenny Firth-Cozens (C) 715-716
- Review articles.**
- Childhood and adolescent depression: 1. Epidemiological and aetiological aspects. Adrian Angold 601-617
 - Molecular genetics and human disease: implications for modern psychiatric research and practice. Miron Baron and John D. Rainer 741-753
 - Neuropsychiatry of post-traumatic stress disorder. I. P. Burges Watson *et al* 164-173
- Rhinoplasty.** Reshaping the psyche: the concurrent improvement in appearance and mental state after rhinoplasty. A. A. Robin *et al* 539-543
- Salford.** Practice of community psychiatric nursing and mental health social work in Salford: some implications for community care. K. Wooff *et al* 783-792
- Saudi Arabia.** Mitral valve prolapse and social phobia. Kutaiba Chaleby and Galal Ziady (BR) 280-281
- Scales** (see also) **AIMS, BITE, CHDS, GHQ-28, GMS and HAD**
- Clinical assessment of anorexia nervosa: the Morgan-Russell outcome assessment schedule. H. G. Morgan and A. E. Hayward 367-371
 - Psychometric correlates of episodic violent behaviour: a multidimensional neuropsychological approach. Dan Mungas 180-187
- Scans.** P3 and CT scan in patients with chronic schizophrenia. K. Ebmeier *et al* (C) 290-291. Alfredo Romani and Vittorio Cosi (C) 291-292
- Schizophrenia.**
- Aetiology.**
- Birth order, sibship size and socio-economic factors in risk of schizophrenia in Greece. Irene M. Malama *et al* 482-486
 - Risk factors in schizophrenia: season of birth and family history. Miron Baron and Rhoda Gruen 460-465
- Classification.** Heterogeneity in sporadic schizophrenia. M. S. Keshavan and Brian S. Toone (C) 573-574. Shon Lewis *et al* (C) 574-575
- Complications.** Significance of depression in the prediction of relapse in chronic schizophrenia. D. A. W. Johnson 320-323
- Familial.** Partly dominant transmission of schizophrenia in Iceland. Jon L. Karlsson 324-329
- Follow-up.** Scottish first episode schizophrenia study: V. One-year follow-up. Scottish schizophrenia research group 470-476
- Occurrence.**
- Age of onset of schizophrenia. S. K. Jayaswal *et al* (C) 428
 - Decline in the diagnosis of schizophrenia among first contacts with psychiatric services in North-east Scotland, 1969-1984. J. M. Eagles *et al* 793-798
- Physiopathology.**
- Dopamine hypothesis of neuroleptic drug action. Robert Goodman (C) 437
 - Dopamine hypothesis, viral theory of schizophrenia and season of birth. C. W. Lo (C) 429-430. M. F. Bristow (C) 430. T. J. Crow (C) 431-432
 - P3 and CT scan in patients with chronic schizophrenia. K. Ebmeier *et al* (C) 290-291. Alfredo Romani and Vittorio Cosi (C) 291-292
 - Pathology, phenomenology and the dopamine hypothesis of schizophrenia. Robert W. Kerwin (C) 141. P. J. McKenna (C) 141-142
- Psychology.**
- Age disorientation in chronic schizophrenia is not associated with pre-morbid intellectual impairment or past physical treatment. N. Buhrich *et al* 466-469
 - Assessment of psychophysiological reactivity to the expressed emotion of the relatives of schizophrenic patients. Nicholas Tarrier *et al* 618-624

- Nithsdale schizophrenia survey: VII. Does relatives' high expressed emotion predict relapse? R. G. McCreadie and K. Phillips 477-481
- Schizophrenic thought disorder: a psychological and organic interpretation. J. Cutting and D. Murphy 310-319
- Symptoms.** Schizophrenic first-rank symptoms in organic mental disorders. A. Marneros 625-628
- Therapy.**
- Chronic schizophrenia and long-term hospitalisation. J. K. Wing (C) 144-145. David Abrahamson (C) 713
 - Effect of ECT on CSF amine metabolites in schizophrenic patients. S. J. Cooper *et al* 59-63
- Schizophrenia-like state.** Subacute sclerosing panencephalitis (SSPE) presenting at the age of 21 as a schizophrenia-like state with bizarre dysmorphophobic features. E. A. Salib (BR) 709-710
- Schizophreniform disorder.** Schizophreniform psychosis associated with the menstrual cycle. Clare Gerada and Adrianne Reveley (BR) 700-702
- School refusal.** School refusal: a 15-20-year follow-up study of Swedish urban children. Natalia Flakierska *et al* 834-837
- Scotland.**
- Decline in the diagnosis of schizophrenia among first contacts with psychiatric services in north-east Scotland, 1969-1984. J. M. Eagles *et al* 793-798
 - Nithsdale schizophrenia survey: VII. Does relatives' high expressed emotion predict relapse? R. G. McCreadie and K. Phillips 477-481
 - Scottish first episode schizophrenia study: V. One-year follow-up. Scottish Schizophrenia Research Group 470-476
- Screening.** Two-stage screening. Manohar Dhadphale and Lesley Cartwright Taylor (C) 720-721
- Season of birth.**
- Dopamine hypothesis, viral theory of schizophrenia and season of birth. C. W. Lo (C) 429-430. M. F. Bristow (C) 430-431. T. J. Crow (C) 431-432
 - Risk factors in schizophrenia: season of birth and family history. Miron Baron and Rhoda Gruen 460-465
- Seizures.**
- Constant current vs constant voltage ECT devices. Richard D. Weiner and C. Edward Coffey (C) 292-293. R. Railton (C) 293
 - Failure to convulse with ECT. Michael Sharpe and Bernice Andrew (BR) 134-136. C. P. Freeman (C) 571. D. J. King (C) 571. John Pippard and Robert Russell (C) 712-713
 - Hypomania following complex partial seizures: a report of three cases. P. Barczak *et al* (BR) 137-139. S. R. Humphries and P. S. Dickinson (C) 571-572. J. A. Morphew (C) 572
 - Post-ictal psychoses: a clinical and phenomenological description. S. J. Logsdail and S. K. Toone 246-252
- Self-harm.**
- Deliberate self-harm and out-patient attendance. C. W. Lawson (C) 575
 - Fatal deliberate self-harm seen in a Sri Lankan hospital. T. Ganesvaran and R. Rajarajeswaran (BR) 420-423
 - Munchausen syndrome: motives and the relation to deliberate self-harm. S. R. Humphries (BR) 416-417
 - Self-inflicted eye injuries. Edward L. Margetts (C) 425-426. Ashok N. Singh (C) 426
 - Self-poisoning.** Accident and emergency department management of deliberate self-poisoning. David W. Owens and Susan J. Jones 830-833
 - Serotonin.** Migraine, insomnia and reactive depression due to brain serotonin deficiency? Luigi Bucci (C) 867-868
 - Sex disorders.**
 - Disulfiram reaction during sexual intercourse. J. D. Chick (C) 438
 - Marital problems and sexual dysfunction: how are they related? John Rust *et al* 629-631
 - Successful treatment of a Chinese with primary ejaculatory failure. Leo P. W. Chiu (C) 580-581 - Sexual abuse.**
 - Childhood sexual abuse in adult female psychotherapy referrals: incidence and implications for treatment. Helen Sheldon 107-111
 - Goal-oriented group treatment for sexually abused adolescent girls. Tilman Furniss *et al* 97-106 - Shop-lifting.** Shop-lifting as a symptom of stress in families of mentally handicapped persons: a case report. Meera Roy (BR) 845-846
 - Sleep.** HLA-DR2 and sleep onset REM periods in endogenous depression. Dieter Riemann *et al* (C) 296
 - Social support.** Peer-group support for patients in the community. M. Ledger (C) 290
 - Sodium.** Polydipsia in chronic psychiatric patients: body weight and plasma sodium. Nicholas J. Delva and John L. Crammer 242-245
 - Spouses.** Psychiatric morbidity in spouses of women admitted to a mother and baby unit. Ian Harvey and Graeme McGrath 506-510
 - Sri Lanka.** Fatal deliberate self-harm seen in a Sri Lankan hospital. T. Ganesvaran and R. Rajarajeswaran (BR) 420-423
 - Stress.**
 - Aetiology of post-traumatic stress disorders following a natural disaster. Alexander Cowell McFarlane 116-121
 - Neuropsychiatry of post-traumatic stress disorder. I. P. Burges Watson *et al* (Review article) 164-173 - Students.** Mental disorders among Yugoslav medical students. Ljubomir Eric *et al* (BR) 127-129
 - Suicide.**
 - Fatal deliberate self-harm seen in a Sri Lankan hospital. T. Ganesvaran and R. Rajarajeswaran (BR) 420-423
 - Suicide. H. G. Morgan (Reading about. . .) 725-726
 - Suicide, and other causes of death, following attempted suicide. Keith Hawton and Joan Fagg 359-366
 - Suicide, attempted.**
 - Female unemployment and attempted suicide. Keith Hawton *et al* 632 637
 - Parasuicide and appendicectomy. Christopher A. Vassilas (BR) 706-709
 - Suicide, and other causes of death, following attempted suicide. Keith Hawton and Joan Fagg 359-366

- Sulphatoxymelatonin.** Study of sulphatoxymelatonin excretion and gonadotrophin status during weight gain in anorexia nervosa. J. Bearn *et al* 372-376
- Sweden.** School refusal: a 15-20-year follow-up study of Swedish urban children. Natalia Flakierska *et al* 834-837
- Symptoms.** Schizophrenic first-rank symptoms in organic mental disorders. A. Marneros 625-628
- Tea.** Tea drinking and nervous disorders. Henry Rollin (*A hundred years ago*) 868
- Thalassaemia.** Bipolar affective disorder and thalassaemia minor—a genetic linkage? Ashok N. Singh and James Maguire (C) 581
- Thought disorder.** Schizophrenic thought disorder: a psychological and organic interpretation. J. Cutting and D. Murphy 310-319
- Thyroid.**
Lithium, psoriasis, abnormal glucose tolerance and thyroid dysfunction. M. S. Humphreys and J. L. Waddell (C) 437-438
Prasad's syndrome. M. J. Weiner and C. Kennedy (C) 438-439
- Time.** Time and the dopamine hypothesis. J. B. Aldenhoff (C) 717-718. Timothy G. Dinan (C) 718-719
- Tomography.**
Cerebral blood flow in chronic cocaine users: a study with positron emission tomography. Nora D. Volkow *et al* 641-648
P3 and CT scan in patients with chronic schizophrenia. K. Ebmeier *et al* (C) 290-291. Alfredo Romani and Vittorio Cusi (C) 291-292
- Tractotomy.** Resistant bipolar affective disorder treated by stereotactic subcaudate tractotomy. A. Poynton *et al* 354-358
- Training.** Defect in training. Clifford Yorke (*Annotation*) 159-163
- Trance states.** Mystical-ecstatic and trance states. Stephen Fortus Signer (C) 296-297
- Transsexualism.**
Aspects of psychiatric symptoms at different stages in the treatment of transsexualism. Charles Mate-Kole *et al* 550-553
Prevalence of transsexualism in the Netherlands. P. L. E. Eklund *et al* 638-640
- Treatment.** Evaluation of treatment effectiveness in psychiatric research. R. G. Newcombe (*Point of view*) 696-697
- Tribulin.**
Urinary catecholamine metabolite and tribulin output during lactate infusion. Angela Clow *et al* 122-126
Urinary tribulin output in patients with panic attacks. Trevor R. Norman *et al* (C) 295-296
- Tricyclic antidepressants.** Monosymptomatic hypochondriasis treated with a tricyclic antidepressant. Noel Fernando (BR) 851-852
- Turner's syndrome.** Anorexia nervosa and Turner's syndrome. Bob Fieldsend (BR) 270-271
- Twins.** Twin birth and adult psychiatric disorder: an examination of the case records of the Maudsley Hospital. Bina Chitkara *et al* 391-398
- Unemployment.** Female unemployment and attempted suicide. Keith Hawton *et al* 632-637
- Violence (see also) Aggression and Assaults**
Dangerous delusions: violence and the misidentification syndromes. Karel W. de Pauw and T. Krystyna Szulecka 91-96. A. P. W. Shubsachs and A. Young (C) 722. David A. Fishbain (C) 860
Psychometric correlates of episodic violent behaviour: a multidimensional neurological approach. Dan Mungas 180-187
- Werner's syndrome.** Case of a delusional psychotic syndrome in the setting of Werner's syndrome (adult progeria). T. C. A. Tannock and R. F. Cook (BR) 703-704
- Withdrawal.** Use of naloxone during the withdrawal syndrome from heroin. D. N. Vlisides *et al* (BR) 565-567
- Workhouses.** Lunatics in workhouses. Henry Rollin (*A hundred years ago*) 723-724
- Writer's cramp.** Writer's cramp in a deaf 12-year-old girl: a conversion reaction? M. M. Georgui (BR) 414-416
- Yugoslavia.** Mental disorders among Yugoslav medical students. Ljubomir Eric *et al* (BR) 127-129

PART III—BOOK REVIEWS

ADOLESCENCE

- Coleman, John C. (ed.). Working with troubled adolescents: a handbook. (Peter Hoare) 731-732

AIDS

- McKusick, Leon. (ed.). What to do about AIDS: physicians and mental health professionals discuss issues. (D. Goldmeier) 871
- Miller, David. Living with AIDS and HIV. (J. D. Oriel) 733

ALCOHOLISM

- Goedde, H. W. and Agarwal, D. P. (eds). Genetics and alcoholism: proceedings of the international Titisee conference held in Black Forest, FRG, 28-30 September 1986. (Jonathan Chick) 593
- Levin, Jerome D. Treatment of alcoholism and other addictions: a self-psychology approach. (John Birtchnell) 734-735
- Nace, Edgar P. The treatment of alcoholism. (T. A. Spratley) 590

ALZHEIMER'S DISEASE

- Glenner, George G. and Wurtman, Richard J. (eds). *Advancing frontiers in Alzheimer's disease research.* (Jane Garner) 590

ANALYTICAL PSYCHOLOGY

- Fordham, Michael. *Jungian psychotherapy: a study in analytical psychology.* (Elizabeth Gee) 300
- Jung, Carl G. *Dictionary of analytical psychology.* (Paul Kline) 157

BOTSWANA

- Ben-Tovim, David I. *Development psychiatry: mental health and primary care in Botswana.* (Roland Littlewood) 446-447

CHILDHOOD

- Garbarino, James *et al.* *The psychologically battered child: strategies for identification, assessment and intervention.* (Carolyn Greenwood) 874-875
- Helfer, Ray E. and Kempe, Ruth S. *The battered child* (4th edn). (Anthony D. Cox) 594-595
- Herbert, Martin. *Conduct disorders of childhood and adolescence* (2nd edn). (Berney, T. P.) 152
- Pilowsky, Daniel and Chambers, William (eds). *Hallucinations in childhood.* (Elena Garralda) 734
- Rose, Sheldon D. and Edleson, Jeffrey L. *Working with children and adolescents in groups: a multimethod approach.* (Janet Boukes) 302
- Trad, Paul V. *Infant and childhood depression: developmental factors.* (Alison Hall) 730

COMMUNITY CARE

- Dear, Michael and Wolch, Jennifer. *Landscapes of despair: from de-institutionalisation to homelessness.* (Elizabeth Watson) 591-592

CRIME

- Carlen, Pat and Worrall, Anne (eds). *Gender, crime and justice.* (Pamela J. Taylor) 303-304
- Mednick, Sarnoff and Stack, Susan (eds). *The causes of crime.* (Paul Bowden) 728
- Walker, Nigel. *Crime and criminology: a critical introduction.* (P. G. McGrath) 586
- West, D. J. *Sexual crimes and confrontations.* (Derek Chiswick) 450
- Windlesham, Lord. *Responses to crime.* (P. G. McGrath) 586

CROSS-CULTURES

- Favazza, Armando R. *Bodies under siege: self-mutilation in culture and psychiatry.* (Linford Rees) 875
- Marsella, Anthony J. *et al* (eds). *Culture and self: Asian and Western perspectives.* (Maurice Lipsedge) 152-153
- Scherer, Klaus R. *et al* (eds). *Experiencing emotion: a cross-cultural study.* (Roland Littlewood) 155

DEMENTIA

- Jorm, A. F. *Understanding senile dementia.* (Anthony Mann) 447
- Mahendra, B. *Dementia - a survey of the syndrome of dementia* (2nd edn). (A. B. Christie) 597
- Pitt, Brice (ed.). *Dementia.* (Michael R. Trimble) 302-303

DEPRESSION

- Cameron, Oliver, G. (ed.). *Presentation of depression. Depression in medical and other physical disorders.* (Richard Mayou) 304
- Gillett, Richard. *Overcoming depression.* (Anthony J. Pelosi) 157
- Mahendra, B. *Depression: the disorder and its associations.* (I. N. Ferrier) 586-587
- Sutherland, Stuart. *Breakdown: a personal crisis and medical dilemma.* (Nicola Blandford) 443-444

DOCTORS

- Baldwin, David and Hopcroft, Keith. *A handbook for housemen.* (C. P. Seager) 871-872
- Bennet, Glin. *The wound and the doctor.* (Digby Tantam) 300

DRUGS

- Dahl, S. G. *et al.* *Clinical pharmacology in psychiatry: selectivity in psychotropic drug action - promises or problem?* (John Pollitt) 444-445
- Hindmarsh, I. and Stonier, P. H. (eds). *Human psychopharmacology: measures and methods* (Vol. 1). (Eve C. Johnstone) 444
- Iversen, Leslie L. *et al* (eds). *Handbook of psychopharmacology. Vol. 19: new directions in behavioural pharmacology.* (Nicholas Seivewright) 727-728
- Johnson, F. N. (ed.). *Lithium combination treatment.* (John Cookson) 449-450
- Meltzer, Herbert Y. (ed.). *Psychopharmacology: the third generation of progress* (J. L. Crammer) 451
- Persad, Emmanuel and Rakoff, Vivian. (eds). *Use of drugs in psychiatry* (J. J. Hart) 299-300
- Porter, R. *et al* (eds). *Antidepressants and receptor function.* (Christopher White) 301-302
- Royal College of Psychiatrists. *Drug scenes: a report on drugs and drug dependence by the Royal College of Psychiatrists.* (Brian D. Hore) 593-594
- Spitz, Henry I. and Rosecan, Jeffrey S. (eds). *Cocaine abuse: new directions in treatment and research.* (Farmer, Roger) 588-589

EATING DISORDERS

- Abraham, Suzanne and Llewellyn-Jones, Derek. *Eating disorders: the facts* (2nd edn). (Andrew M. Whitehouse) 596
- Carruba, Michele O. and Blundell, John E. (eds). *Pharmacology of eating disorders.* (Christopher Fairburn) 587
- Garfinkel, Paul E. and Garner, David M. (eds). *The role of drug treatments for eating disorders.* (Andrew M. Whitehouse) 156-157

ELDERLY

- Brink, T. L.** (ed.). The elderly uncooperative patient. (A. J. D. Macdonald) 156
- Morgan, Kevin.** Sleep and ageing. (Carol A. Trotter) 449

EXAMINATIONS

- Bird, Jonathan and Harrison, Glynn.** Examination notes in psychiatry (2nd edn). (Peter J. McKenna) 596
- Levi, Michael I.** MCQs for the MRCPsych Part 1. (David Owens) 152

FAMILIES

- Ball, Jean A.** Reactions to motherhood: the role of post-natal care. (Gillian Waldron) 451
- Kaslow, Florence W. and Schwartz, Lita Linzer.** The dynamics of divorce: a life cycle perspective. (Stephen P. Reilly) 735
